UPDATED 2/14/12

This list contains names of people who have indicated they are eligible for tutoring. This list does not constitute a recommendation by the Beaverton School District. **The tutors listed below have not been interviewed by the District regarding the qualification for tutoring. Similarly, the District does not perform any criminal background check on the tutors found on this list, unless they are currently employed by the Beaverton School District. Families wishing to employ a tutor from this list do so at their own risk, and are strongly advised to do their own screening regarding references, qualification, and criminal background.** This list is updated and made available to all schools and Teaching and Learning Department. It is also available on the District's Intranet under "Departments", "HR", "Licensed Staff" and under "For Parents". Parents may request a copy from the school secretary or through the District's Teaching and Learning Department. Please be advised of District Policy GCQAB regarding tutoring for pay. Private tutors will not be allowed to provide their services in the school building during the time school is in session. Finally, a teacher may not tutor their own students for remuneration.

# TUTOR LIST 2011-2012

UPDATED 2/14/12

This list contains names of people who have indicated they are eligible for tutoring. This list does not constitute a recommendation by the Beaverton School District. **The tutors listed below have not been interviewed by the District regarding the qualification for tutoring. Similarly, the District does not perform any criminal background check on the tutors found on this list, unless they are currently employed by the Beaverton School District. Families wishing to employ a tutor from this list do so at their own risk, and are strongly advised to do their own screening regarding references, qualification, and criminal background.** This list is updated and made available to all schools and Teaching and Learning Department. It is also available on the District's Intranet under "Departments", "HR", "Licensed Staff" and under "For Parents". Parents may request a copy from the school secretary or through the District's Teaching and Learning Department. Please be advised of District Policy GCQAB regarding tutoring for pay. Private tutors will not be allowed to provide their services in the school building during the time school is in session. Finally, a teacher may not tutor their own students for remuneration.
