

Springville LSC Meeting Notes: September 15, 2010

Attendees: Cheryl Ames, Dena Gentry, Mark McClure, Kathy Russo

Minutes of last meeting August 22, 2010 – one correction to be made. Date of next meeting is September 15, 2010. Cheryl will make correction and post.

Old business:

- Resound church has found other accommodations and has withdrew request.
- New Building use form: Added a copy of calendar to all usage requests to make the number of days of use easier to calculate. Includes days the school is closed.
- Kindergarten Spanish: Space is no longer available during the day to offer this. Notified.

New Business:

- Automatic Door Opener – questioned by parent and answered by district facilities. Springville doors are ADA compliant without auto openers. Auto openers are expensive to install and maintain as they fail regularly. Springville doors are calibrated to open easily and are within complaint range on pounds per pull.
- Fire Marshall visit: 5 corrections prior to next visit in 30 days
 1. Remove coffee pot from extension cord in office/special needs classroom
 2. Classroom doors must be free of combustible materials
 3. Doors into corridors with self – closers should not be propped open.
 4. Spray all banners and quilts with fire retardant.
 5. Remove paper crane display from sprinkler pipes.
- Reviewed Beaverton Strategic Plan (graphic and detail found on the Beaverton School District Website) THRIVE: T = Technology, H = High Quality Empowered Teaching Staff, R = Respect for Human and Environmental Rights, I = Individual Student Growth, V = Volunteerism, Service, Engagement, E = Equity in Student Outcomes, S = Scorecards for System-wide Accountability.
Springville is giving extra focus to E (Equity in Student Outcomes) to put in place and track customized learning plans for all students to be used throughout their school year.
- Site Council should be starting next month. Have 2 interested parents and will recruit a third.

New building use requests approved:

- Girl Scouts 40248 1st/3rd Fridays 3:05-4:35pm Art Lit room
- Art Waves Monday 3:15 – 4:45pm Art Lit room
