

TERRA LINDA PTC BLAST

5/10/2012

REMINDERS

Terra Linda Art Blast - Tomorrow We have tons of fun for the whole family at this year's Art Blast. Roam through our own Terra Linda "Art Museum" and see the works your child has proudly created in Art Literacy this year. Every student has two pieces of art on the wall thanks to the hard working Art Literacy volunteers. Get hands-on at our Art Tables and recreate this year's Art Literacy projects with your children. Finally, don't miss the Silent Art Auction where you can bid on some FABULOUS one-of-a-kind art created by each classroom. Funds raised at the Auction will go back to your children's classrooms. Support our teachers and go home with some great art! Of course, no event is complete without an Ice Cream Social. Peruse the art galleries and auction pieces while eating a tasty treat. The fun starts at 6 pm tomorrow evening. Berets are optional. For information on how you can help out at this event contact Ali Wayne at only1ali@gmail.com. The worst that could happen is you have a great time with kids, art, and community, but more than likely, you'll see something that moves you.

Plant Sale Pick-Up - TOMORROW Have you seen the weather forecast? For the modest price of your plants, Amy Daisy has graciously thrown in perfect weather for gardening. Tomorrow, May 11th, between 12 and 4, under the covered area outside the library, you can pick up your plant orders (and maybe thank her for a couple of warm and dry weeks). Questions contact Amy Daisy.

Dining for Dollars - Our LAST Event for the Year This is the BIG one. Join us at McMenamin's Oak Hills Brew Pub (on Cornell Road) on Tuesday, May 15th from 5 pm to close. They are donating a whopping 50% of all food and drink sales back to our school. When else can you enjoy a pint and benefit our school at the same time? Dine in OR take out included. Questions? Contact Karley Nees.

Art Literacy - Thank You Thank you everyone who attended our final lesson training on May 7th. We learned about Louis Comfort Tiffany. Please get on the schedule for your presentation, we need them completed by June 8th. Also, mark your calendars for May 17th, 9:30 am 11:30 am for an Art Literacy volunteer brunch potluck. Evite forthcoming.

Multi-Use Room Plea Attention all users of the Multi-Use room: Mrs. Hawkins asks her kindergarten class to keep the play area clean each day. However there are other children who play in that area during meetings and other Multi-Use events. PLEASE urge parents whose young children use the play area to clean up before they leave. Mrs. Hawkin's kids are getting tired of coming into school in the mornings to find the play area a mess after they cleaned it before leaving school the day prior. Let's all work to make sure that we keep that area picked up if it is used during a Multi-Use room event. Pass it on.
