

## What is ParentVUE?

ParentVUE is a secure web portal that allows parents and guardians easy access to their students' real-time information.

Each custodial parent with education rights for the child(ren) has an individual ParentVUE account.

## Why use ParentVUE?

As your child progresses through their BSD education, ParentVUE provides increasingly helpful information.

- Access documents including all BSD report cards
- Send/receive messages from the District, school or teachers
- View attendance information
- Set notification preferences for absences and tardies
- View student immunization history
- View basic student information
- Update student/parent information through the registration/verification module
- View a history of key standardized tests
- Link to the District's online payment system

## Additional Information for **Secondary** Parents

- View current gradebook information such as assignments and scores
- View course history, including all grades and credits earned
- View student schedules
- Link to Canvas, the District's Learning Management System
