

2019 - 2020 APPLICATION FOR OPEN ENROLLMENT TRANSFER

Open Enrollment applications will be received between **December 10, 2018 through January 22, 2019.**

Applications should be returned to the school for which your student is applying
prior to 2:00 p.m. on Tuesday, January 22 to be included in the lottery process (if necessary).

APPLICATIONS TO MORE THAN TWO SCHOOLS WILL BE DENIED.

I understand that if my application is approved:

1. Parents/guardians are responsible for providing transportation, which complies with school hours. Buses do not travel from the resident school to the open enrollment school; however, occasionally the student may live close to the attendance boundary of the open enrollment school. In this case, parents may submit a written request on a completed "No Transportation Zone Request" form.
2. Approval is for the duration of the school level only (i.e., elementary, middle or high school).
3. There is no guarantee of sibling applications being approved.
4. Commitment to attend any school should be for the entire academic year.
5. A lottery system may have to be implemented if there are more applications than allocations available.
6. Copies of the completed application will be distributed by the receiving school principal, pending a letter or telephone conversation with the parent/guardian of the student, regarding the final recommendation.
