

2019 Winter After School class – Bonny Slope Elementary School

Junior Robotics—LEGO WeDo

These classes are a perfect mixture of fun and learning, using LEGO WeDo Robots. Using LEGO Bricks, students build a selection from twelve fun projects available in our four themes. They also learn how to program and operate their creations using a laptop computer.

Dates: Jan 24,31, Feb 7,14,21,28, Mar 7,14,21, 2019 (Thursdays)

Time: 3:00-4:30pm

Price: \$243 per student

Age: 5-8

Location: Bonny Slope Elementary School
