

STUDENT INVOLVEMENT IN DECISION MAKING

Students are allowed to participate in the operation of schools through the following methods:

1. Student representatives are selected by each high school principal to serve as Board representatives;
2. Students are selected/appointed to serve on site councils at each of the comprehensive high schools;
3. Each comprehensive high school will establish procedures for Associated Student Body (ASB) councils at each school.
4. Other methods as determined by individual buildings.
