Items commonly used by cost centers will be standardized whenever consistent with the educational goals and in the interest of efficiency or economy.

The chief financial officer is appointed by the superintendent to serve as purchasing agent. He/She will be responsible for developing and administering the district's purchasing program.

No obligation may be incurred by any officer or employee of the district unless that expenditure has been authorized in the budget or by Board action and/or Board policy. In all cases calling for the expenditure of district money, except payroll, a requisition and purchase order system must be used.
