Community-Sponsored Club Sports

The Board recognizes the value of community-sponsored club sports and their benefit to Beaverton School District students and the community.

The Board recognizes that community-sponsored club sports are independent from and receive no funding, in-kind services or supervision from the district.

The fiscal management and supervision of students will be the responsibility of the club sport. District resources and/or services, including staff time, will not be used to support community-sponsored club sports teams.

A community-sponsored club sport may submit an application packet to the appropriate school principal to request permission to use the school name.

The superintendent is directed to develop the necessary rules to implement this policy.
