“Corporal punishment” is defined as the willful infliction of, or willfully causing the infliction of, physical pain.

Corporal punishment does not include physical pain or discomfort resulting from or caused by:

1. Training for or participation in athletic competition voluntarily engaged in by a student;
2. Recreational activity voluntarily engaged in by a student;
3. Physical exertion shared by all students in a teacher directed class activity, which may include, but is not limited to, physical education exercises, field trips, or vocational education projects; or

No teacher, administrator, other school personnel or school volunteer will subject a student to corporal punishment or condone the use of corporal punishment by any person under his/her supervision or control. Permission to administer corporal punishment will not be sought or accepted from any parent/guardian, person in parental relationship or school official.

A staff member is authorized to employ physical force when, in his/her professional judgment, the physical force is necessary to prevent a student from harming self, others or doing harm to district property. Physical force shall not be used to discipline or punish a student. The superintendent shall inform all staff members and volunteers of this policy.
