

## STUDENT FEES

The Board recognizes the need for student fees to fund certain school activities consistent with the provisions of Oregon Revised Statutes.

No student will be denied an education because of his/her inability to pay supplementary fees.

No student, however, is exempt from charges for lost or damaged books, locks, materials, supplies and equipment.

Fee structures and consequences of non-payment of fees will be communicated to the students and community annually.

Education records shall not be withheld for student fees, fines and charges if requested in circumstances described in ORS 326.575 and applicable rules of the State Board of Education or such records are requested for use in the appropriate placement of a student.

Students or parents owing money to the District will receive written notice that includes the reason the student owes money to the District, and an itemization of the fees, fines or damages owed and the right to request a hearing.
