2020 BSD Certified Staff Survey -- Remote Teaching and Learning

The purpose of this survey is to assist the District in understanding your experiences with remote teaching and learning. The administration hopes that you will be open and honest.

The Certified Staff Survey is for all Certified employees who work for the Beaverton School District, either part-time or full-time. It is not for volunteers or contractors.

This survey is voluntary. You may opt out of completing the survey at any time, without penalty. Survey data will be summarized so that answers will remain anonymous. Nothing in the survey content or District software will be used to identify you. Your email is not connected to the survey.

It is OK to go back and change your answer to a previous question, but once you submit your survey you will not be able to edit your responses.

If you have questions, email Rayna Flye, Research and Evaluation Specialist.

Thank you!
