Dugsiga Degmada Beaverton wuxuu u qaybin doonaa qiyaastii \$ 2.4 milyan qoysaska u qalma ee codsada kaalmooyinkan. Si kale haddii loo dhigo, haddii aad bixiso xanaanada cunugga, waxaad xaq u yeelan kartaa in lagu siiyo lacag kaa caawineysa inaad daboosho qaar ama dhammaan kharashyadaada.. Taageerada Qoyska & Madaxbanaanida Ardayga

Sanadka oo dhan, macallimiinta fasalka waxay ardayda siiyaan qiimeynno tacliimeed oo noocyo badan leh. Aad ayey muhiim u tahay in la helo macluumaad sax ah si macallimiintu ay si wax ku ool ah u kala duwi karaan waxbariddooda si ay u daboolaan baahida ardayda.

Waxaan u baahanahay kaalmadaada. Fadlan u oggolow carruurtaada inay uga shaqeeyaan qiimeyntooda iyo howlahooda Seesaw, Canvas iyo / ama Zoom si madax-bannaan, iyadoon laga helin caawimaad waalid ama macallin. Waa caadi haddii carruurtaadu si khaldan uga jawaabaan; taasi waa qayb ka mid ah nidaamka barashada. Waxaan ka rajeyneynaa ardayda inay galaan “halganka wax soo saarka leh” markay wax baranayaan. Macallimiintu waxay dib u eegaan halka ay ardaydu ku jiraan geedi socodka waxbarashada waxayna ka caawiyaan siyaabaha carruurta u oggolaanaya inay koraan oo wax bartaan.

Dabcan, haddii carruurtu u baahan yihiin in laga caawiyo caqabadaha xagga farsamada ah, taasi waa xilli ku habboon in la caawiyo. Waxaad sidoo kale gacan ka geysan kartaa taageerida carruurtaada adoo adeegsanaya xirfado ay macallimiintu horay u soo bandhigeen. Waxaan kaa codsan lahayn inaad u oggolaato macallimiinta ardaydaada inay bixiyaan jawaab celin iyo taageero, gaar ahaan inta lagu jiro barashada tooska ah. Fadlan ha u hadlin carruurtaada ama ha siinin jawaabo ay sheegaan inta lagu jiro kal-fadhiyada tooska ah.

Fadlan ogow, in iyada oo aan la helin caddayn madax bannaan oo ku saabsan aqoonta ardayda ee ku aaddan bartilmaameedyada waxbarashada, macallimiintu ma awoodi doonaan inay ku qiimeeyaan ardaydaada kaararka warbixintooda. Kaararka warbixinta waxaa lagu soo darayaa X (oo aan la qiimeynin simistarkan) iyada oo lagu qorayo in aysan jirin caddeyn madax bannaan oo ku filan oo lagu taageerayo calaamadaha horumarka.

Horumarka ardaydaada aad buu muhiim noogu yahay. Waad ku mahadsantahay wada shaqeynta aad nala leedahay iyo taageerada aad siisay caruurtaada.

Halyeeyadeenu waxay rabaan inay la kulmaan geesiyaashiina

Waxyaabaha ayaa u muuqan kara wax ka duwan Halloween sannadkan, laakiin haddii halyeeyadaada yaryar ay ku dhex wareegayaan dharkooda Khamiista, keen meesha cuntada laga qaato ee BSD oo ku dhex halyeeyadeena! Shaqaalaha Adeegyada Nafaqada waxay u qaybin doonaan alaabo gaar ah oo la socda cunug kasta cunnadiisa waxayna rabaan inay siiyaan carruurta laga yaabo inaysan fursad u helin inay ciyaaraan trick-or-treat sannadkan fursad ay ku raaxaystaan xoogaa yar. Ka qaybqaadashadu waa ikhtiyaari.
