

Welcome Back to School!

The new school year is the perfect time for students and families to start creating healthy, fun and safe habits. Safety is everyone's responsibility! **Here are some reminders as we travel to and from school:**

- Keep your eyes and ears open for traffic all around.
- If driving, slow down to 20 mph or less in school zones and neighborhood streets.
- Check for safety at all intersections, in bike lanes and follow the directions from crossing guards.
- Remember to be alert and mindful of all road users (no texting; be aware of school zones) especially when we're in a rush. We all want to get someplace fast, but safety for our children is our top priority — and takes all of our efforts.

Be sure to mark your calendar for Wednesday, October 2, 2019 — International Walk+Bike to School Day! Let's see how many people we can get walking and rolling. Stay tuned for more details.
