

School is in session. Plan a safe trip to school.

BICYCLISTS

- Always wear your helmet.
- **Be visible:** wear a bright jacket, reflectors or lights to increase visibility.
- Stay alert, keep your eyes and ears open.
- Ride predictably, in a straight line, follow the rules of the road.
- If riding on sidewalk, ride at walking speed and walk your bike when busy.

PEDESTRIANS

- **Be visible.** Wear bright clothing, or add reflective clothing.
- Before and while crossing, look left, right, left and behind.
- Cross at the corner or at crosswalks when available.

DRIVERS

- **Reduce speed** in school zones and be ready to stop at all times.
- Stop and stay stopped for pedestrians at all intersections, marked or unmarked.
- Be patient and wait for students to complete crossing before proceeding.

BUS RIDERS

- Stand 3 giant steps back from edge of street.
- Wait until bus comes to complete stop before approaching bus.
- If crossing street, look driver in eye and cross in front of bus when driver says it's OK.
