Welcome Back Everyone

The beginning of the new school year is the perfect time for students and families to start creating healthy, fun and safe habits. Walking and biking is a great way to get to school on time, safely and ready to learn because you've had a bit of exercise. With more of us sharing the roads it's important to know that safety is everyone's responsibility!

As we travel to and from school:

- keep your eyes and ears open,
- slow down to 20 MPH or less in school zones and neighborhood streets,
- watch for students at all intersections and follow the directions from crossing guards.

Remember we must all look out for each other and work together so everybody gets there safely!

Be sure to mark your calendar for Wednesday October 4, 2017. It's International Walk+Bike to School Day! Register [HERE!](#) Let's see how many people we can get walking and biking throughout BSD. See [the website](#) for more details.
