### Connecting with me

If you have a question, concern, or suggestion it is best to connect with me directly.

Replying to the BHS\_info address goes to a general mailbox and not to me. So, give me a call or drop me an email.

Anne S. Erwin

Principal

### Upcoming events

September 26<sup>th</sup> **Senior College Night**, 6:30-8:30, BHS

September 27<sup>th</sup> **Back to School Night**, resource fair: 5:00-5:45, Main Program: 6:00-8:30

**Partnering with you.** *Learning Transforms Us* is one of our four core values. It is at the heart of our collective work as educators and parents. I remind students often that this core value means that at the end of any day, week, year, or high school career, each person should be changed by the learning and living that is experienced. *What did you learn today and what was the impact of what you learned?* are both great questions we would appreciate you asking. When you ask these questions at home you reinforce this core value.

### Back to School Night

We are looking forward to welcoming you to BHS this Wednesday for Back to School Night. Below is a link to a video, produced by our Director of Student Communications, Payton Major. The video offers a diverse look at reasons you should attend Back to School Night: <https://youtu.be/AKjaw8nbRsU>

On Wednesday there is an opportunity for families to learn about some of the resources at BHS from 5:00-5:45. The Back to School Night program begins at 6:00 and runs until 8:30. The evening's agenda can be viewed at [www.bit.ly/backtoschoolbhs2017](http://www.bit.ly/backtoschoolbhs2017) We will NOT be handing out student schedules so be sure to get a copy from your student(s).

**From the district** Our district continues to adjust the routes and processes for the activity busses that are available after school. These will feature “transit style” bus routes for students. Students will be assigned stops within ½ mile of their homes. All stops allow students to utilize sidewalks and not have to cross busy streets. The majority of stops will be located near major housing areas (apartments, community centers or neighborhood elementary schools). The advantage to having assigned stops is the ability for parents to access the [My Stop App](#) to track their child's bus. Routers are beginning to assign students now and will be sending the information to schools soon.
