Connecting with me

If you have a question, concern, or suggestion it is best to connect with me directly. Replying to the BHS_info address goes to a general mailbox and not to me. So, give me a call or drop me an email.
Anne S. Erwin

November Theme: RESPECT

Each month we offer a theme to frame some of our thinking. This month's theme is RESPECT. This month's theme is a good reminder, that as a community, we continue to strive to welcome and includes every person. Recently the flags in the cafeteria were rearranged by the MultiCultural Student Union. The flags represent the nations of birth of our student body—over 55 nations.

Progress reports

Progress report grades will be finalized at the start of this week. As you look at the grades for students here are a few ideas to keep in mind.

These are progress report grades. There will be a midterm grade and then a final grade. These marks give students and families a preliminary assessment of how students are doing.

Some questions to ask could include:

- Which marks are you particularly proud of, why, how did you achieve those marks?
- In which classes do you want to improve your grades? Do you know how will you improve those grades?
- How do you use your Beaver Lodge to the fullest?
- How can I help?

Safety On November 5, 2017, we set our clocks back an hour, making it darker earlier in the afternoon. With shorter days this time of year, motorists, bicyclists and pedestrians need to be extra alert to see each other in low light situations. Improving visibility means improving safety for all road users. Here are additional suggestions to help keep you safe while walking and biking:

- Wear bright, reflective clothing and shoes when walking or biking.
- Don't wear headphones, text or talk on a cell phone while crossing the street.
- Be aware of vehicles around you. Make eye contact before crossing in front of vehicles.
- Don't assume that cars see you or are going to stop.
- Driving or biking? Expect and slow down for pedestrians in popular walking areas, around schools and parks, and near crosswalks.

Exchange student host family sought The Beaverton Rotary Club is sponsoring a sophomore exchange student from Bangkok, Thailand who is now attending BHS. At this time Pun Pun is living with a host family. However, the rotary program is based on the exchange student living with three host families to enhance their American experience. Pun Pun is approaching the end of her first host family exchange. If anyone is interested in or knows someone who might be interested in being her winter host family please contact: Brad Marineau (father of BHS alums) 503-730-7876, bfmarineau@gmail.com.

Upcoming events

November 6th Booster Club, 7 pm, library
