5 Reasons to come to Back to School Night:

Welcome Assembly We were finally able to get into the gym and celebrate the start of the school year. The cheer team kicked off the assembly, fall teams were celebrated, we heard about Beaver Buddies (a chance for BHS students to partner with special education students, the *Rhythm T's* (made up of staff members) performed, and the rhythm B's showed how the routine is really done. Students heard messages from Principal Erwin and ASB President Payton Major. The two messages called students to rise to some concrete challenges.

| <ul style="list-style-type: none">• Step out of your comfort zone and meet new people• We are a strong community, we can support each other• Try not to judge people by what you see or have heard about them• Share your story and learning other people's stories• When we spread love and a smile every person has a place at BHS | <ul style="list-style-type: none">• Community Connects Us: Say hello to people• Excellence Inspires Us: Push yourself, there is something for every student at BHS, get connected• Learning Transforms Us: Think about, write down how you are changed at the end of each day—just for a week• Tradition Unites Us—celebrate our school together |

Thanks for joining us in these concrete challenges.

Food for families

This week we begin offering food for families every Friday after school. This is food that is collected from stores and businesses by Urban Gleaners and delivered to BHS. We will no longer distribute food on Saturdays. Some of this is prepared food, fresh produce, and bread. Please bring bags if you can. Contact your student's counselors for information.

Tissue

We always use donations of tissue. If you can send in a box or two of tissue we would appreciate being able to provide the boxes to our classrooms.
