

### My 4-Year Plan at a Glance

Each check box below represents one semester of the required content area needed for graduation. Circles in a content area are then earned as elective credits. To be college ready, it is highly recommended all the boxes and circles be checked by graduation. Use your transcripts to fill in the boxes and circles below.

- LA – Language Arts
- MA – Math
- SS – Social Studies
- SC – Science
- PE – Physical Education
- HE – Health
- AA – World Lang. Arts,  
Business, etc.
- EL – General Elective
- CE – Career Education

Once credit requirements are met in any area, all other earned credit becomes elective credit.

\*Career Education is available through Advisory Classes and does not need to be forecasted.

What am I most excited about going to Sunset High School?

One academic goal I have for next year is: (it must be specific, challenging, and attainable). What action will I take to make this goal happen?
